

RFSO 22-01 For MRO Equipment, Supplies, & Related Items/Services

Fastenal and Kinetic GPO, Public Sector make cooperative purchasing simple. Use RFSO 22-01 for MRO Equipment, Supplies and Related Items/Services. Fastenal is ready to serve Kinetic GPO members with quality Maintenance, Repair & Operation (MRO) supplies and services. Fastenal's offering spans 19 product categories available at more than 3,100 in-market locations. In addition to Fastenal's branches, Kinetic GPO customers can shop online at Fastenal.ca.

Local Branch Service

- More than 3,100 retail branches
- Contract pricing on all product lines
- 24-hour emergency service
- Flexible purchasing options: walk-in, phone, fax, or e-commerce
- Just-in-time ordering and fast fulfillment delivery
- Value-added services

Inventory Control Solutions

- We stock inventory locally – so you don't have to
- Custom bin-stock / line-stock programs
- Dock-to-dock delivery, in-plant locations, jobsite solutions
- FAST Solutions® – Automated supply technology to help you track and control consumption
- Binstock – A perfect fit for all those production and MRO items you can't dispense out of a vending machine but still need on your shelves.
- Onsite – We'll bring our experts, products and solutions within your four walls, driving cost savings and productivity gains in every corner of your business.

fastenal.ca

- eQuotes: Edit and approve quotes from your local branch
- View your custom pricing
- Check local branch availability
- Flexible delivery options: will call, local delivery, direct to site
- Account Management – workflow, spending controls, order templates, customer cross reference search, and more
- Integrations available via most leading e-business systems and portals, including: Ariba, SciQuest, Oracle and Many More

About Kinetic GPO

Kinetic GPO is a Cooperative Purchasing Organization established for Broader Public Sector and MASH entities across Canada, with the specific purpose of reducing procurement cost by leveraging the purchasing power of group buying and saving its members' time by simplifying steps to procure.
