

The below information is directly from the Alabama Department of Revenue:

<https://www.revenue.alabama.gov/faqs/what-guidance-is-there-for-vendors-drop-shipping-into-alabama-and-remote-sellers/>

“The State of Alabama does not issue sales tax licenses (resale certificates) to remote businesses (no business locations in Alabama). Alabama views drop-shipping as two separate transactions. The transaction between the vendor/drop-shipper and reseller is one transaction, and the transaction between the reseller and the Alabama customer is a separate transaction. It is Alabama’s stance that the vendor/drop-shipper should accept the home-state issued resale certificate when the reseller is purchasing to resell to a customer located in Alabama (drop-shipped to an Alabama address).”

Fastenal Company Purchasing is not required to register for sales tax in the State of Alabama and so the MN Exemption certificate or sales tax number on the MTC can be provided in place of any Alabama exemption documentation.
